Holiday Season Team Memo

Let’s finish strong — safely, thoughtfully, and as one team.

To: All Woof Gang team members From: Kyle & Betty

Team, the holiday season is one of our busiest times of the year. Our goal is simple: keep every dog safe, deliver an exceptional experience, and help customers plan ahead. These expectations apply across Port Washington, Hicksville, and Glen Cove.

1 SAFETY FIRST — ALWAYS

More appointments never mean cutting corners. Follow dog-handling and salon safety procedures, use appropriate restraint and equipment, and keep grooming and bathing areas clean and clear. Speak up immediately about a dog’s discomfort, a safety concern, or an injury. Ask for help when needed. No appointment or sale is worth a preventable incident.

2 REBOOK EVERY CLIENT

Offer every customer their next appointment before checkout. Recommend a return date based on the dog’s usual grooming schedule, and help secure December and January availability. Try: “We recommend seeing Bella again in about six weeks. Would mornings or afternoons work better?” If they decline, thank them and move on.

3 RECOMMEND A RELEVANT SPA UPGRADE

Include one thoughtful spa recommendation in each grooming consultation, based on the dog’s coat and needs. Explain the benefit and price before adding any service; obtain customer approval. Our upgrades can improve the grooming experience and create additional earning opportunities for the team. See the quick reference on page two.

4 INTRODUCE HOLIDAY RETAIL

Holiday treats, toys, and gifts are part of what makes Woof Gang special. At checkout, point out one relevant product or seasonal favorite when appropriate. Keep recommendations friendly and helpful, never pushy.

5 MAKE IT PERSONAL

Before each appointment, review the dog’s notes: name, grooming history, preferences, sensitivities, and special instructions. Confirm the requested haircut at drop-off and communicate meaningful updates or concerns. Remembering the details builds trust.

6 DELIVER A GREAT CUSTOMER EXPERIENCE

Greet customers warmly, keep them informed about delays, and explain relevant grooming observations at pickup. Thank every customer for visiting. If someone is unhappy, involve a manager promptly so we can resolve the concern professionally.

7 PROTECT THE SCHEDULE

Encourage early holiday bookings, work with managers to fill cancellations from the waitlist, and flag delays as soon as possible. Keep appointments moving efficiently without compromising quality, comfort, or safety.

8 SUPPORT EACH OTHER

The holiday rush takes teamwork. Help colleagues when possible, maintain clean workstations, communicate clearly, take breaks as scheduled, and tell your manager if you are ill or overwhelmed. We succeed together.

Our daily focus: Safety first. Offer to rebook. Recommend the right spa upgrade. Highlight a relevant retail item. Make every customer feel known.

Thank you for the care and pride you bring to our stores. Let’s make this a wonderful holiday season for our dogs, customers, and team.
